Dear Mr. Smith:

Please accept my heartfelt appreciation for your beautiful expressions of support honoring our beloved Dr. Dorothy Irene Height. . Your moving words created a spirit of unity among the legions of Dr. Height's friends and family.

At a time when we all felt the pain of her death and the vacuum left by her transition, you lifted our hearts, renewed our spirits and soothed our souls. Personally, you helped me to remember how truly blessed we were to have had her with us and at our side for such a very long time. When her time of departure neared it was the knowledge of the love of God expressed through friends like you that helped to ease our sorrow.

Thank you for being there as we celebrated and thanked God for the amazing life of Dorothy Irene Height, who shall forever have a special place in our hearts.

Very sincerely yours,

Alexis M. Herman
